About Conference

Linkin Science offers different modes of registration options to work within your busy schedule according to the participant's interest. We offer registrations for Speakers, Co-Authors, Students, Virtual presenters, Business delegates, Poster Presentations, Accompanying persons, Sponsors and Exhibitors.

Speaker Registration

Speakers who are registered for the conference will give an Oral talk on a scheduled day and time.

Business delegates or Company representatives

Eligible to register for the conference as a Business delegate. Academic individuals can also attend under delegate category. The person who is interested in attending the conference and not intended to give the talk can choose for this registration. By choosing this registration, delegate can attend the conference for 3 days.

Young Research Forum (YRF)

Includes students who are pursuing their Ph.D, Post Doctorate Fellowship.

Poster Presentations

Poster Competition is organized at the conference, to encourage participants to present their original research which will be later published in Conference proceedings.

Student Registration

Students can choose student registration to attend the 3 day conference. Students will be felicitated with participation certificate.

Global Excellence Awards

Participants desiring to be considered for one of these awards need to specify their interest after their submission of the required abstract. Selected participants will receive felicitations certificates under three categories

- **Outstanding Submitted Abstract**
- **Best Poster Presentation**
- **Young Researcher Award**
- **Best Research of the conference as evaluated by the Scientific Committee to encourage budding scientists/ researcher.**

Decisions will be made based on evaluation of the submitted abstract by the Scientific Committee. We want you to grab this opportunity and participate in the conference...!

Where

VIRTUAL

The Virtual Conference and Expo is an event that will take place exclusively online. All conference presentations are broadcasted via webcast so you can watch from the comfort of your own office or home. All the features of an in-person event will still be available (exhibit halls, networking, questions with presenters, downloadable collateral, etc.)

When

December 08-10,2020

What to Expect

To be informed,inspired and connected.

To hear the latest on cancer and vaccines research and future advancements from world-leading medical and research experts.

How to Join this?

1.Submit your abstract online at

<https://globalcancermeet.com/submit-abstract>

2.Register online at

<https://globalcancermeet.com/registration>

3.Prepare for your presentation

4.Login to the conference

Link will be sent to the registered email address

Visitor Profile

- Vaccine Manufacturing Company's marketing/purchase professionals across the globe
